If you wash, your scent disappears. Isn't that inconvenient?
I mean, you use your scent to mark your territory and threaten those that try to trespass.
Impossible. This runt..
If I don't do something...

Right.
This runt isn't a normal kid.
She was originally a tiger.
Specifically,
a wild one.
One question. Did you wash yesterday?
Did I have to?
Okay. That's enough.
SAE HEE!!
Is there something wrong young master?
Teach her about the importance of cleaning!
RIGHT NOW ...!
Young master, you can do that yourself.
YOU CAN DO IT!
I'm busy. Also..

If I get water on me, I get wet.
WHAT DOES THAT MEAN?
??
If I touch water, I get wet.
SO WHAT DOES THAT MEAN?
I'll be going back to work.
I'm busy, so please don't bother me.
.....
※ SungHoon's Imagination
I get excited when I touch water.
OK, so you're talking non-sense.
It's the truth.
...do you know how to clean yourself?
I cleaned myself often in my other form.

Alright.
So you never washed yourself in human form.
Oh! You already know! That's my husband!
First off,
I put saliva on my front paw...

Let's think like this.
I'm not washing a girl. I'm washing a tiger that hates baths.
It looks like a girl, but the runt.. I mean Rang li is.

It's dangerous. But if I give up on washing her...
she won't wash herself.

In the end, I have to wash her myself.
but whatever her true form is, she's a girl right now.

I AM,
WASHING A TIGER!

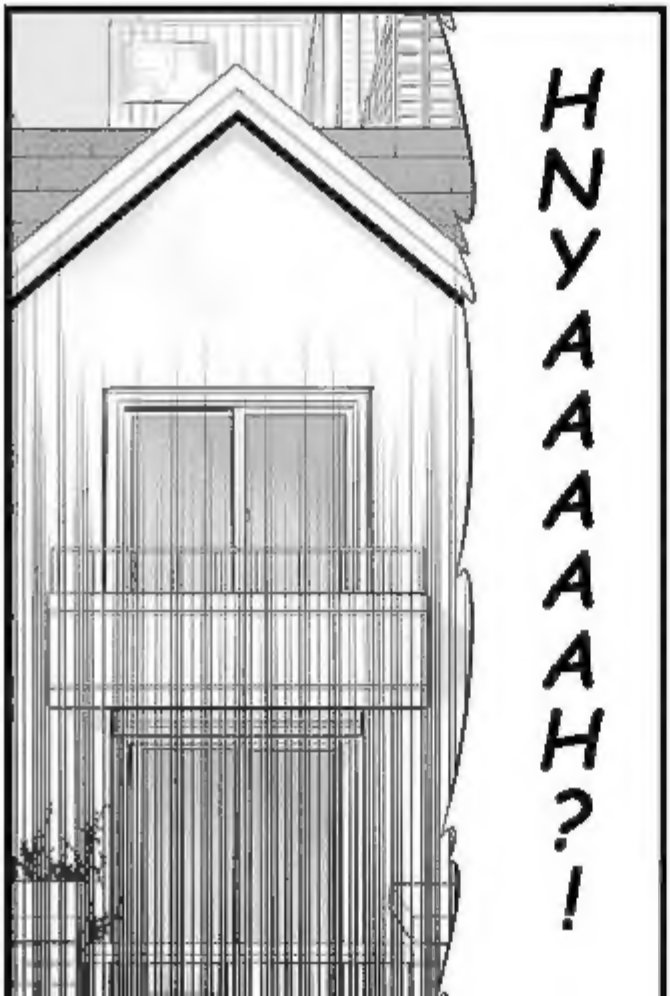
Give up already,
put the clothes you took off on the dresser.
... fine.

Even if you're a spirit, the spirits of great phantoms like yourself are no different from flesh,
The filth collecting on your body is no different from a human.
SAE HEE! ARE YOU BETRAYING YOUR MASTER?!

WHAT ARE YOU DOING?
Trying to wash you. Stay still.
I'M A SPIRIT SO I DON'T NEED TO BE WASHED!
S, SAE HEE! SAY SOMETHING TO HIM!

Uh~
Wasn't it supposed to be embarassing for a human to show himself naked?
If you were like the girls my age and had some common sense, I would be embarassed.
However, right now you are nothing more than a tiger!
Can you stop with that face?
There is nothing wrong with my washing-!
HNYAH?
That place is sensitive!- Kya!
EYES! MY EYES! IT BURNS! IT BURNS!! AHH!!
Ahh! Sung Hoon! Sung Hoon is abusing me!
DON'T SAY THINGS LIKE THAT!!

Haa-
washing the human body feels quite good, does it not?
It's tiring for me.
Over reacting because I touched your ears... you're probably the only phantom that does that.
Isn't it your fault for touching the area under my ears?
Th, that's not my fault!
Hm? Didn't we finish?
Anyway, we have to wash your body now.
We only washed your hair.
When we take the form of a human, that place is sensitive. So you're wrong!
Soap bubbles. It's made when you use body soap.
!
So these are called soap bubbles?
It's interesting how they're different from water bubbles.
Sung Hoon.. what is...
Oh really? I learned something useless.



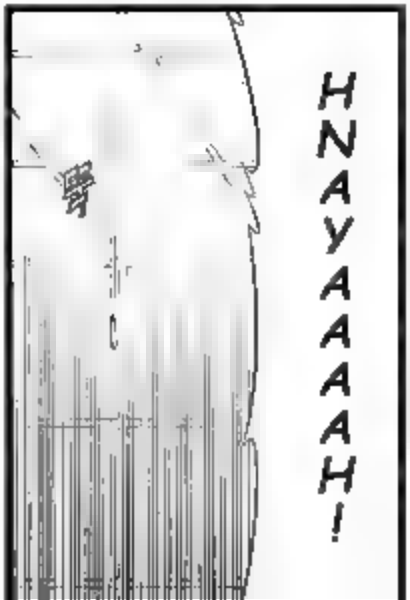
HNYAAAAAH?!

She's completely a child.
While shes distracted...

What are you doing all of a sudden? It hurts!
Why are you cleaning me with the bubble maker?!
Isn't it obvi ous that it would hurt?
I can't be touched with something that rough!
The great phantom that appears in leg ends, and has lived 4000 years doesn't like pain, and is throwing a tantrum on how she doesn't like pain

I'll wash you
WITH MY HANDS
HNYA?

I guess I have no choice
If that's the case



HNYAAAAH!

H

I have this feeling that if I don't take this chance to wash you properly,
it's going to be a pain in the ass later

I'm exhausted.
This might become a habit.
She has to clean the rest of her body herself
Even if its a tiger the whole body is impossible with my hands.
W, well they do say that a bath is a cleansing of the soul
Anyway
I hate taking a bath, but your hands make me feel good
Is a bath supposed to be like this?
Hey! Sae Hee!

I ASKED YOU TO BRING A CHANGE OF CLOTHES,
BUT WHY DID YOU BRING THE CLOTHES SHE WORE BEFORE?
How rude,
it's the same design, but it's new clothes.
SHE ONLY HAS ONE TYPE OF CLOTHES?
It's easier to draw that way.
WHAT NON-SENSE IS THAT?
Wait a minute...
you said you were busy...
WHY DO YOU LOOK SO PEACEFUL?
I'm learning about the world right now, prob-lem?
Ah, this manhwa is funny.

Sae drinks alcohol when she's working hard.
She only touches alcohol when she's doing that.
You shouldn't bother her with minor issues.
Oh!
Sae Hee is drinking?
Then she must be really busy.
Thank you master.
Putting clothes on Rang Ii isn't a minor issue for me..
There's alot if important things in this world...
growl~
Don't worry.
Everything Sae Hee does benefits me in the end.
So, what are you doing right now?
I can't answer that.
Are you a TV celebrity?

Let's just eat dinner...
I'm almost done, so let me prepare the meal.
But first...
Your gluttonous mother emptied the fridge,
So I want the two of you,
to go to the market.
With Rang Ii?
